<b>Remarks:</b> Buzz: Could you comment on this. I'm not sure the attached staff study presents any really convincing reasons to write this sum off. Could you also please check the rate of exchange; I think the rate which may be in use in auditing the accountings may be a few cents less than this. Thanks. <div style="text-align: right;">Brad</div>  We may also need more info about how the cash fund was handled. Seems that several people may have had access to it.
